

Prince John

+91 9400206726 | princejohn1700@gmail.com | [linkedin.com/in/prince-john-ing](https://www.linkedin.com/in/prince-john-ing)

Results-driven developer bridging AI and full-stack engineering. Built user-centric applications that solve real problems in education and the Circular Economy. Strong communicator who translates technical work into business impact, aligned with goals

Education

Mar Athanasius College of Engineering Kothamangalam, India	Jul 2026
• Bachelor of Technology in <i>Artificial Intelligence and Machine Learning</i>	CGPA: 8.63

Professional Experience

Training Intern Cognizant Siruseri, Chennai	Jan 2026 - Apr 2026
• Trained on Domain of ML Under AIA Service Line	
• 2 Projects & 17 Udemty Certification with Hands-On Learning for Data Warehouse, Pyspark, Copilot, ML, NLP, Feature Engineering	
Assisted Intern Teachnook Edtech Online	Jul 2023 - Aug 2023
• Learned and Implemented Basic Machine Learning Techniques	

Projects

GraderAI: AI-Native Answer Sheet Evaluation Platform (RAG + Agentic)	Apr 2026
<i>Technology Stack: FastAPI, React, Pinecone, LangGraph, LLM, Tesseract</i>	
Report : Agentic Solution for Upcycling in Circular Economy	Aug 2025
<i>Technology Stack: n8n, React, Django, MongoDB</i>	
Research Assistant: An Agentic helper for research	Apr 2025
<i>Technology Stack : Langchain, Pydantic, LLM</i>	
Smart Shelf : Image-based Smart Commercial Shelf tracking for Supermarket	Apr 2025
<i>Technology Stack: ESP32-CAM, Roboflow API, Python, Event Trigger</i>	
Deep Learning Projects : Trained Model Using CIFAR-10, MNIST, IMDB	Apr 2025
<i>Technology Stack: FF MLP, Regularization, CNN, VGG-19, RNN, LSTM, GRU</i>	

Certifications

• SAP	SAP Certified Associate - SAP Generative AI Developer	Sep 2025
• edX	Introduction to Kubernetes and Cloud Native Technologies	Jun 2024
• NPTEL	Joy of Computing Using Python Certification	Apr 2024

Skills & Extracurricular

Programming	: Proficient in Python, Basic familiarity with C, C++, Java, R, HTML
Technical Competencies	: DSA, DBMS, ML, AI, NLP, Deep Learning, LLM, Robotics
Soft Skills	: Communication, Collaboration, Association, Management, Articulation
Languages	: English, Malayalam

ExtraCurricular:

- **Volunteering in Placement Cell** – Student outreach & coordination
- **Active participation in tech events and hackathons** – pitch and solve real-world problems.
